

Tantin Wealth Code Briefing

Tantin as a Metaphor • Connecting and Coexisting

How to Change Your Destiny?

First, we cannot use old thinking and old behaviors to imagine achieving different results;

To change dimensions, we must first elevate our cognition;

Each era creates different heroes; stay in tune with the rhythm of the times.

What is Tantin?

Tantin encompasses all planets in the universe, whether they are in the Milky Way, the Solar System, the Sun, the Moon, Earth, or any other planets. It symbolizes boundlessness, infinite possibilities, and limitless expansion.

It also represents that the Tantin cause is grand enough, its scale vast enough, to attract heroes from all walks of life.

Founder of TantIn Group - Yu Lingxiong

He is the creator of countless miracles.

His personal influence is a huge IP in itself.

His vision, mindset, and character are unparalleled, with a journey full of ups and downs.

Yu's Vision

TantIn Group, a success together, this life is dedicated to the cause of all beings, to let the world know what kind of person Yu Lingxiong is and the great cause he is leading.

The Right Person, the Right Cause!

Looking through 5000 years of history, all great undertakings were due to one person's thoughts and decisions, which ultimately led to a great cause.

Liu Bang: A man should be like this.

Mao Zedong: Liberating all humanity, rescuing Americans from their struggles.

Genghis Khan: Let the land covered with grass be my pasture.

Yu Lingxiong: TantIn Group will lift 10 million people to become multi-millionaires. TantIn Group, success together!

The most important thing in a great cause is
absolute faith.

How to Stay Faithful?

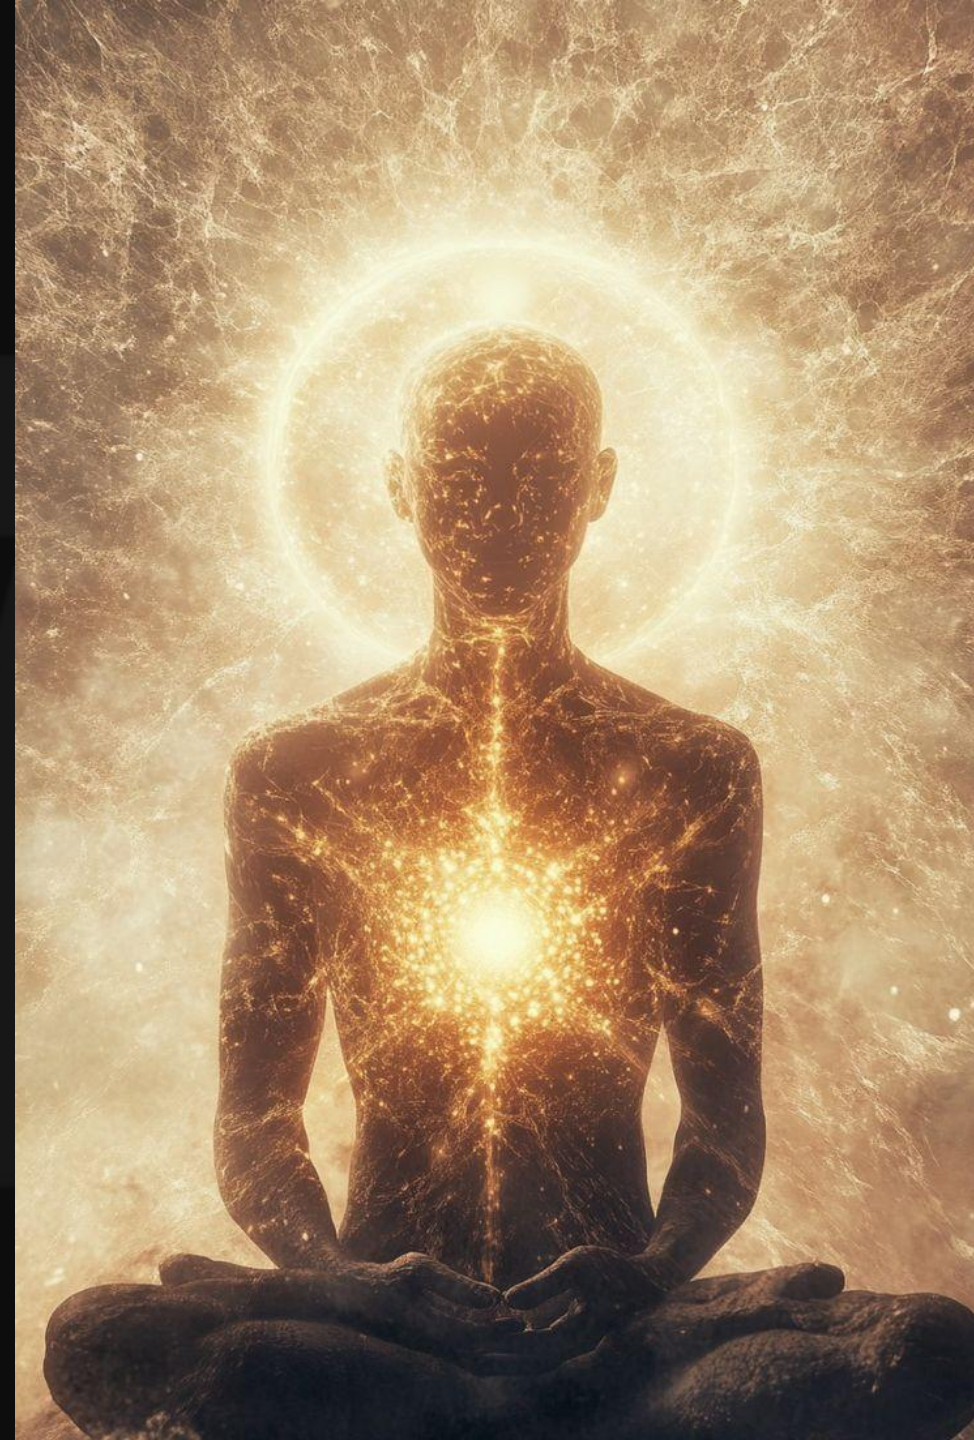

Believe in your beliefs; foresee
your future.

A person's faith comes from foresight.

Indecision and weak faith are the greatest obstacles to
success.

To achieve great goals, your dreams must be big, your
mindset broad, and your vision vast.

with \$100 trillion in wealth.

Why Tantin? Everything is about Cause and Effect; The Three Hearts in Tantin Frequency

1.Heart of Cultivation

2.Heart of Submission

3.Heart of Achievement

The Three Core Ecosystems of Tantin Group

1. Tantin Public Chain and its token Tantin Coin (CTC)

The top team in the industry is fully dedicated to developing and creating a high-performance, highly scalable blockchain protocol. Tantin Public Chain aims to become the world's largest public chain within 3 years, leading the blockchain technological revolution and its global adoption.

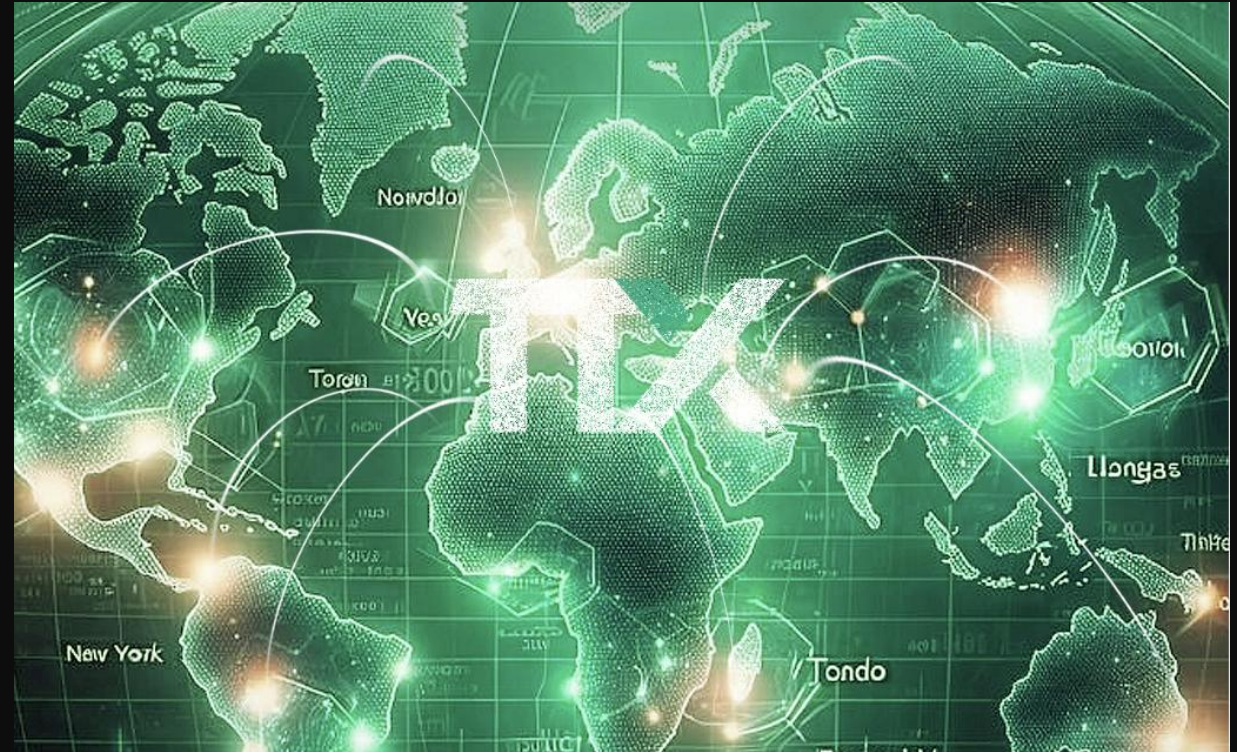

- CTC is the native token of the Tantin Public Chain, the core asset of the public chain.
- CTC's position: CTC is the number one investment product globally!
- The total supply of CTC is fixed at 2 billion tokens, with no future issuance.

2.Tantin Exchange (TTX)

Tantin Exchange is a financial operating system that can support billions of users worldwide.

- Trading Engine: Makes the financial system extremely fast.
- Security System: More reliable than bank insurance.
- Global Architecture: A financial brain that never crashes.
- Intelligent Evolution: The exchange will "learn." We are equipping the platform with an "AI brain."
- Ecosystem Empowerment: Developers and users build cars together. TTX is not just building cars, but also creating an "automobile factory + gas station + repair shop" ecosystem.

3. Tantin Stablecoin (USDY)

USDY

USDY is pegged to mainstream fiat currencies and is used in payments, settlements, remittances, and value storage. Its advantages are price stability and low volatility.

USDY has partnered with Cambodia's ABA Bank, where its cash reserves are fully deposited. The number of stablecoins issued corresponds to the reserves in USD held.

How to Achieve These Goals?

1. Sources of traffic of TantIn Exchange:

Yu's Powerful Influence

After five years of laying the foundation, Yu returns to the forefront. Leaders in the cryptocurrency, CX, direct sales, training, and KOL circles will all take their positions. We will select 1,000 true core leaders of TantIn.

Selection Criteria:

- **Ability to rapidly expand markets.**
- Capability to directly recruit 30 people and build a 3-level team.
- Minimum promotion goal: **20,000 registered users.**

How to Achieve These Goals?

1. Sources of traffic of Tantın Exchange:

Model Support

By May 8, **each registered user will receive 100 CTC for free mining**, subject to advanced KYC verification. The goal is to reach 10 million registered users.

If the number of global real-name verified members does not reach 10 million before CTC's launch, we will continue with the registration reward plan:

- Each registered user will receive 50 CTC.
- If the price of CTC increases rapidly, the platform will adjust the reward amount accordingly.

How to Achieve These Goals?

1. Sources of traffic of TantIn Exchange:

Mechanism Support

The sharing mechanism will maximize the motivation of core leaders.

- Ordinary referrers: **\$10 million in 10 years.**
- Core leaders: **\$100 million in 10 years.**
- 1,000 industry leaders: **\$1 billion in 10 years.**
- 10 million registered users: **\$100 million in 10 years.**

2.The Value of Tantın Coin (CTC):

- Decentralized: The group retains only 0.5% of the tokens, ensuring no sale for 10 years.
- No additional issuance: After initial issuance, no more tokens will be issued.
- Strong shareholder funding support.
- Unique regional advantages.
- Six major token-burning mechanisms.

2.The Value of TantIn Coin (CTC):

The Six Major Burning Mechanisms That Can Drive CTC's Value:

1

80% of all platform transaction fees are used to buy and burn CTC; 20% allocated to operational costs.

2

80% of contract-based profits are used to buy and burn CTC; 20% allocated to company operations.

3

80% of GAS fees are used to buy and burn CTC; 20% allocated to company operations.

The First Step to Achieving a Great Cause

Lead by example.

Initiate actively—why do people follow you? Because you've done what others couldn't. Do it yourself first: Repeat, repeat, repeat! It becomes second nature.

Growth Philosophy

What causes me pain will make me stronger; all pain is the fertilizer for personal growth.

A person stands with arms raised, holding a glowing sphere of light and particles. The word 'Tantinn' is written across the sphere. The background is dark with streaks of light radiating from the sphere.

Achievement Philosophy

Born to conquer,
born to be number one.

The Second Step to Achieving a Great Cause

Unite the core.

How do experts win people over? Win over ordinary people with skill, experts with vision, and the small-minded with tactics. Winning hearts: understanding, respect, and recognition.

The Third Step to Achieving a Great Cause

The hearts of the people.

A king's talent. No self, only mission. The mission of Tantin is to serve the people.

**Tantin's motto:
Success together!**

Below it, the phrase "To serve humanity" is written in a white, serif font. The background is a deep blue space with stars and nebulae. A dashed blue line forms a circle around the globe.

The enterprise is limitless, Tantin is everywhere.

"Tantin" is not just a project name, but also a philosophical expression of the future Web3 and AI world.

Starting from “all individuals in the universe,” Tantin focuses not only on technological and business model innovation but also on advancing the global, inclusive, and sustainable development of the digital economy. Tantin, with its powerful vision, infinite potential, and continuous innovation, will break traditional boundaries and create a boundless blueprint for a truly global business, leading the glorious future of the Web3 and AI era!
